

PROPOSED 'PAVILION' . . . A pavilion-type auditorium which would seat 2000 in the auditorium for stage productions, or 1000 at a banquet is shown in an artist's conception. It has been proposed by Councilman Willys G. Blount for the Torrance civic center, who estimates it could be

built for considerably less than a conventionally constructed auditorium. Offices and exhibit areas would surround the auditorium section with its center stage. An anodized aluminum dome would cover the building.

CROWNING TOUCH . . . Dr. Stuart E. Marsee, president of El Camino College, presides over coronation ceremonies on campus as Miss Judy Beaver was named queen of the annual Sweetheart's Ball. Suzanne Murray and Nancy Newman were named princesses for the occasion.

Garden Checklist

1. Start thinking about a new lawn. It's not too early to work up a seedbed for planting next month.
2. Plant annuals for spring and summer color. The more the merrier.
3. Plant Roses while they are still available in bare-root stock.
4. Start a hedge this month. The longer you wait, the less growth you'll get during this first year.
5. Many shrubs are now in bloom. Daphne, deciduous Magnolias, Quinces, Camellias are just a few of those you will find.

Chamber Managers Elect Fitzgerald As President

Dick Fitzgerald, manager of the Redondo Beach Chamber of Commerce was elected president of the California Assn. of Chamber of Commerce Managers at the group's 48th conference in Palo Alto, last week.

Fitzgerald is the first area Chamber manager ever to hold the coveted post, and at 36, is reportedly also the youngest to ever head the executives group representing California's 486 Chambers of Commerce.

A native of Santa Monica, Fitzgerald has spent all his lifetime, except World War II years, in the area cities of Redondo Beach, Torrance, El Segundo, and Manhattan Beach. He was Chamber manager here for four years.

The capturing of the State Presidency marked the second state-wide group to be led by Fitzgerald as he served as president of the California State Junior Chamber of Commerce in 1955-56. Other offices held by Fitzgerald include national vice president of the U.S. Jaycees and national director of the U.S. Jaycees for three years, and the vice presidency of both the State Jaycees and the State Managers Assn.

and What Kind of Staff Assistance Does the Superintendent Really Need?" Also on the same program will be speakers from Colorado, Utah, and New Jersey. The convention lasts through Tuesday.

Dentists Begin Inspection of Pupils' Teeth

Inspection of the teeth of Torrance School's first graders started Monday through the auspices of the Torrance Dental Health Assn.

Seventeen Torrance dentists have donated time to inspect the teeth of youngsters in local elementary schools. After the exams, notes will be sent to homes of children who may

need dental care. Then parents may have corrective work done if they choose. The dental inspections follow class work on the importance of good dental care, done as part of health units. Youngsters learn about the importance of brushing.

Donating time for the inspections were the following lo-

cal dentists:
 Drs. E. Thomas Anderson, Robert Barrett, Arthur Berke, W. K. Bryant, Stanley Challis, Paul Chan, Warran D. Cutting, Curtis G. Frame, Gene Hall, Allen E. Hofferber, Robert C. Jackson, Allan P. Lamont, Earle F. Landis, Russell L. Peapall, Richard Shepherd, Robert White, and Ross E. Yamahata.
